

## DOMNITZ & SKEMP, S.C.

### Caring, Effective Advocates

THE PERSONAL INJURY LAW FIRM of Domnitz & Skemp, S.C. is known throughout Wisconsin as a champion of people who have been injured due to the negligence of others, earning a sterling reputation for its results.

"What is best for the client is our guiding beacon in handling every case," says senior shareholder Ric Domnitz. "Our goal in every personal injury case is to see to it that our clients are treated fairly and equitably under the law."

**PRACTICE AREAS** With almost 60 years of combined experience, Domnitz & Skemp, S.C. attorneys handle the full spectrum of personal injury cases including motor vehicle collisions, wrongful death, medical malpractice, nursing home abuse, insurance disputes, bad faith claims and other injuries both large and small. Domnitz & Skemp, S.C. has an impressive record of successful settlements and jury verdicts, as well as a remarkable track record handling matters at the appellate court level.

Domnitz & Skemp, S.C. differentiates itself from other firms by exhibiting a willingness to go to trial whenever settlement does not serve the best interests of its clients.

D&S verdicts and settlements include:

- \$4.2 million for securities misrepresentation
- \$1.3 million for automobile negligence
- \$2.4 million for nursing malpractice
- \$950,000 for premises liability
- \$10.5 million for medical malpractice
- \$1.5 million for police misconduct

The firm also handles many smaller cases, working diligently for victims regardless of the magnitude of the injury.

**HONORED ATTORNEYS** Domnitz & Skemp, S.C., is pleased that its three shareholders have been honored by inclusion on the *Wisconsin Super Lawyers*® listing as well as selected as best Wisconsin attorneys by *Milwaukee Magazine*.

Ric Domnitz, senior shareholder, has been included in the Top 50 lawyers in Wisconsin; in fact, he has been named to *Wisconsin Super Lawyers*® every year since the magazine's inception. He

also has been elected to the International Society of Barristers, the American College of Trial Lawyers, and has received numerous accolades for his superior trial skills.

Anthony J. Skemp has been included in *Super Lawyers*® for the second consecutive year. He is active in numerous legal organizations and is recognized as a leader in plaintiffs' personal injury cases.

Ann S. Jacobs, in addition to inclusion in *Super Lawyers*® each year since 2005, has again been chosen one of the Top 25 Women attorneys in Wisconsin. She frequently lectures on legal matters and has published works on personal injury litigation.

Rounding out the firm's talent is associate Noah Domnitz, who joined the firm in 2008. He is active in several legal organizations, has written articles for legal publications and serves on the board of directors for a local nonprofit that provides discounted legal services to the community.

For representation in any personal injury situation, you will be in capable hands with the talented attorneys of Domnitz & Skemp.
